A

Accident report:
Buxbury Junction, LMR / Derailment at 280
Bushey, LMR / Derailment at 373
Buttevant, CIE / Derailment at 418
Glasgow Queen Street, ScR / Collision at 36
Greenhill Lower Junction, ScR / Derailment at 35
Napsbury, LMR / Collision at 307
Oyne, ScR / Derailment near 35

Advanced Passenger Train:
APT-R could bring forward service date two years 531
advanced* read 'available' / For (Raitalk) 53
Heat exchangers for APT 90
Independent view of APT engineering commissioned 339
Midland main line, says BR report / Only APT can improve 150
passenger service / October may see first Revenue-earning service to start 195
7 December (530)
statement leaves future unclear 146
statement on press stories / BR 243
Submissions prepared for APT interim solution 482
technology / Timeless (Raitalk) 290
tests bring results / ... meanwhile, APT 483
Tilt system demonstrated at Rugeley (101)
tilt-system trials / on (484)
tribulations 251
Unreliability defers APT debut and investment 54
yesterday's train / APT: British Rail cannot wait for 306

Airlines:

Anglo-Scottish routes? / Saturation point on 436
British Airways opposes Stansted development 340
Humberside route / Air challenge on 246
'Shuttle' routes? / More competition on 147

Airports:

Baltimore-Washington 12
Birmingham 196
Gatwick 41, 195, 197, 297
Geneva 10
Heathrow 99, 195
Schiphol 152
Stansted 291, 340
Stuttgart 152
Zürich 488

Alan Williams' column:

37, 60, 129, 178, 226, 275, 323, 369, 417, 515, 562

Albania:

Rail links with Europe 198

Association of Metropolitan Authorities:

EEC grants — local authorities' shut out* 55
freight by rail / backs 7
PTA-PTE relationship / to study 147

Australia:

Alice Springs opening / HRH Princess Alexandra unveils plaque at (11)
Alice Springs / Standard gauge to 71, 146
Australian journey 277
ANR / Revamped image for 102
Brisbane / More ASEA-powered trains for 322
Brisbane / More trains for 368
Brisbane / New control panel for 225
Brisbane order for on-board communications / Fourth 368
Costing peak and off-peak services 180
Ghan's changes gauge / The 58
'Indian Pacific' / The 264
Inter-City / Australian 174
Pom down under 174, 216, 264, 277, 421, 467
signalling equipment / More 90
Sydney / The suburban service of 216
XPT — New South Wales' political train 544

Austria:

Brenner Tunnel proposals 198
Class VT31 diesel railcar (534)
freight traffic / Growing 247
Krems / Electrification to 102
Locomotive equipment failures 247
power supplies / Strengthening 343
Regular interval services 533
restaurant cars and couchettes / New 534
Travelling library 534
Tulln-St Pölten electrification 487
Zell-am-See / Decorative door handle at (486)

B

Belgium:

Brussels Metro extension enters service 295
Brussels / Two new suburban stations in 58
Coal for power stations 295
electrification / Benelux 380
Electrification progress 295
Mons-Manage electrification 9
Mouscron / Systems junction at 438
Report for 1980 438

British Rail:

accident statistics 1979 / Selected 100
accidents / Changes in the reporting of 99
Accidents: Chief Inspecting Officer reports on 1979 56

Makeup of Volume 38

Month	Pages	
January	1-48	July
February	49-92	August
March	93-140	September
April	141-188	October
May	189-236	November
June	237-284	December

Anglo-Continental train / Now it's the age of the	253	Going through the motions (Raitalk)	241, 372
Annual report 1980	345	Golden Rail coach tours in 1982 / More	291
Approach control ... and track layouts	277	Golden Rail increases self-catering accommodation	99
automatic revenue control pilot scheme deferred	7	Golden Rail / Record year for	56
battery work / BR seeks new home for	387	Guards' duties	85
Bikes on trains latest	99	heating / Six-year plan to phase-out steam	340
Bradford on Sundays / Via	421	holding company formed / New	7
Cabinet discussions on BR start	244	Holidays by rail in the British Isles — 1981	138, 146
Catering for the Inter-City passenger	13, 67, 98	Inter-City Europe	371, 419, 467
catering prices raised / Train-CEGB-BR link / MMC critics	342	Inter-City revenue down 2% in 1980	56
Chairman details social effects of service improvements / BR	244	Inter-City services / Falling demand hits investment from railway users? / Railway	228
Chairman: Hall and farewell (Raitalk)	481	investment / Policy statement calls for 85% increase in BR	194
Chairman: 16-17 March 1981 / The	392	investment problem / Figures put on investment / Road and rail unite in call for more transport	146
Chairman: The two Sir Peters (Raitalk)	289	investment / Unreliability defers APT debut and	54
Chairman to serve again / Minister asks BR	55	level-crossing requirements published / Revised	484
Chairman! ... two more years for Sir Peter	482	LEV production dmu	(246)
Changing from train to bus	162	LEV railbus / Home and export sales hopes for new	291
Class 56 / Experience with the	41	London & South-East commuter services	6, 7, 18, 130, 339, 387, 482
Class 140 / Batteries for	514	lose £100million / could	340
Class 140 dmu / First public appearance of	(290)	loss for 1981 / forecasts £140million	435
Class 140 dmu — trial running starts	99 (485)	Maglev people-mover on public purchasing list	99
Class 140 prototype dmu on test run	(151)	Mk 3 sleeper costs / Taunton modifications inflate	243
Class 317 0m / Money not men holding up	340	Mk 3 sleepers in service this year — with premium supplement	483
Class 317 seating / New finish for	560	Merrymaking is a serious business	318
Competition	56, 197, 247, 290, 299, 442, 531, 565	Motorail / Standby fares for	292
commuter services / Closer definition of aims for	339	National Carriers to maintain BR vehicles	195
corporate plan published	56	Open stations experiment starts	531
Costing peak and off-peak services	180, 277	Operations: Mir J over matter (Raitalk)	481
crane / Order for advanced customer / Wroong the	324, 468	passenger business needs / seek interim solution to	55
death by falling from trains in 1979 / More	516	pay on BR condemned / Low permanent way / Maintaining the plastic technology / BP buys BR glass-reinforced	444, 539
Derby Technical Centre / Recorder has everything taped at	(57)	police for public transport / More	56
destination signs / BR interest in electronic	186	Policy statement calls for 85% increase in BR investment	194
dmu dilemma / The	514	productivity / Railway	276, 420, 517
disabled available at last / Railcard for disabled for BR / Adviser on the disc battle / More contracts for distraction / More (Raitalk)	345	Pullmans / SLOA acquire	244
elasticity / More work on	436	Rail safety in 1979 — selected accident statistics	100
Electrification — an investment not a hand-out	145	Railbus prototype on test	(481)
Electrification — final report finds big is best	6	Railbus structural performance up-rated	340
Electrification referred to 'Think Tank'	290	Railbus — table d'hote or à la carte?	433
Electrification review — final report	148, 276	recession / Additional high-speed services despite the	249
Electrification — route profitability study continues	530	recovery of No 37246 / The	210
Electrification: Spreading the 'overheads'	179	relays for BR / One million miniature rural railways / An issue of confidence — the future of (Raitalk)	46
Electrification statement: A velvet purse in a mailed fist (Raitalk)	337	rural railways / Half-cost*	97
electrification — with strings / Government agrees to	338	Sales train promotes passenger travel	147
Facing points on passenger lines	386, 516	Saver fares under control / moves to bring season ticket holders / New club for	531
Family Railcard	55	seats computerised / East Coast	483
Family Railcard priced at £10	147	Senior Citizen Railcard price increase	7
Family Railcard sales / Special offer lifts	292	Signalling conundrum	86
Fares battle intensifies	341	Social railway is CTCC's main concern	291
fares policies / BR's	41, 227, 421	South-East survey continues	482
fare promotion / New grocery	435	Southern Region? / Independence for	147
fares rise 9% / Rail	531	Spenni rail measuring unit loan to BR	(437)
faster, but not always	153	Station indicators	180, 325
finances only slightly in the red in 1980	98	steam trips / More main-line railway	7
First-class ticket-holder — second-class traveller?	366, 466	strike / ACAS formula averts national Strike: Not this way (Raitalk)	434
football fans / Shows red card to Scots	99	385	
funding for rail projects / European	243		

Student Railcard stretched	341	Claclton depot opened / New	388	Computerised traffic-monitoring scheme in		Nice-Geneva link	390
ticket machines for BR / More electronic	46	Class 47 livery for Royal Wedding /	(423)	New Zealand	176	Paris market traffic	198
timetable is deferred / Massive supplement		Unofficial		crane / New leaflet on advanced	90	Paris Metro cars / Quieter curving	
as new	55	Class 55 in green livery heads 'Merrymaker'	(518)	deodoriser copes with vomit / New	474	for	322
Timetable Paperchase (Raitalk)	529	train at Sunderland		destination signs / BR interest in		Reflections on French Railways	227
track circuit gets approval / ML jointless	90	Class 55 in green livery heads NRM	(97)	electronics	514	Réseau Express Regional extension	
Track for secondary lines	227	coaches at York		Escalator-cleaning machine	474	to Torcy	102
Training for modern technology	98	Class 55 restored to green livery / Ceremony	(87)	fare collection group formed / New	225	RER / First collision on	102
Transmark / Record year for	244	at NRM marks		fire extinguisher standard revised /		RoissyRail / Regrets over	535
Trans-Pennine opportunities and options	370	Class 305/2 unit interior refurbished /		Portable	368	rolling stock loaned to French Railways /	
travel agents / ... and	419	Finst	(485)	Heat exchangers for APT	90	Netherlands double-deck	(111)
Travellers-Fare: Prime Minister speaks	290	Class 315s enter service	57	Hopper wagon equipment for LT	90	Rouen / Left-bank electrification in	343
Travellers-Fare snap / Pilot scheme for		closures / TUCC reports on	485	level jacks / Guide to	90	Solar power for water-heating	198
new	532	Colchester / New signalbox at	150	Linear-motor-powered doors for London		TGV / Bienvenue (Raitalk)	433, 563
Travellers-Fare transferred from British		Compartments preferred	181	Bridge	46	TGV catering plans	296
Transport Hotels	342	Darlington-Derby test working / HST		Mobile platform speeds up electrification		TGV / Further thoughts on	534
Travellers' tales	131, 229, 421, 517	Dore Junction closure notice published	(423)	conversion work	186	TGV in action	421
200k locomotive / Confusion over	530	Durham track damage / East Coast route	196	motors for old electrics / New	225	TGV / Sampling the	28, 131
Unfair Contract Terms Act 1977 / Railway		slowed by	(567)	Phone-answer system for £200	368	TGV speed record	102, (146), 199
passengers and the	498	East Anglia / Aggregates for	9	plastic technology / BP buys BR		TGV supplements approved	438
unions / Don't rock the boat' BR tells	55	East Anglia / Air-conditioned stock for	8	glass-reinforced	90	TGV timetable details	438
Wagonload freight — discipline the key to		East Anglia electrification nearer	8	Recorder has everything taped at Derby	186	TGV will create new transport	
success	492	East Anglia and Midland services	516	signs and colours / BS guide to	90	needs	534
welders? / 'No proper (Raitalk)	338	East Anglia connections	324, 420	solenoid valve / Battery-operated	474	Travels in France	564
winter / Focus on	(61)	East Coast seats computerised	483	stripper / Powerful new	274	trials with diesels / High-speed	58
Woodhead closes	387, (470)	Felixstowe / Freightliner build-up at	487	suspension for cold climates / Heated	560	World rail speed record: Operation	
Woodhead closure / Inconclusive report		Fenchurch Street stock / Early facelift for	436	ticket machine / Versatile portable	322	'Antelope'	102, (146), 199
on	341	Gateshead sought / Withdrawal of BR		ticker machines for BR / More electronic	46	windsurfers / Service for	390
Woodhead closure: Trans-Pennine		services from	436	UTDC reorganises	322	Z2' emus in service	9
opportunities and options	370	Great Northern Class 313 emus / Service					
Woodhead closure: Trans-Pennine tango		experience with the	64, 146				
(Raitalk)		GN electric driver — 20 January 1981	205				
Woodhead route / promotes	101	GN electrics	179
